DEFENDANT'S WAIVER OF INTERSTATE AGREEMENT ON DETAINERS ACT

---

I, Lovania Brownlee, defendant in this case, having discussed with my attorney, Pamela B. Hamrin, the possible effect of the Interstate Agreement on Detainers on my case, do hereby state:

1. I have previously been sentenced to serve a term of imprisonment by a state court in the State of Tennessee. I have not completed serving that sentence.

2. I presently face charges pursuant to 18 U.S.C. § 922(g) in the United States District Court for the Western District of Tennessee, and for this reason I have been brought to Memphis, Tennessee.

3. I have been advised that the Interstate Agreement on Detainers may apply to my case, and that if so, I have a right to not be returned to my original place of imprisonment in the State of Tennessee until I have been tried in federal court, and that I will be held in federal custody during this time. I have been advised that under that agreement, if I am returned to my original place of imprisonment, the charges against me in federal court will be dismissed.

4. Understanding that I may have a right to have the federal charges against me dismissed

if I am returned to my original place of imprisonment prior to my trial, as explained above, I HEREBY WAIVE such right in open court and agree to confinement as a state prisoner in state facilities until such time as my trial in the United States District Court for the Western District of Tennessee is completed. I understand that by so agreeing, I may be returned to my original place of imprisonment from time to time and the charges against me in the United States District Court for the Western District of Tennessee will not be dismissed.
